I hereby make application for entry/exhibition in the STAR Show. As a condition of such entry, I hereby certify that I have read and am familiar with the rules and regulations of the STAR Show, including the rules and regulations contained in the current STAR Show Premium Book (the "general rules, regulations and procedures to be followed by all exhibitors"), and that my entry/exhibit, whether one or more, is owned and has been fed, fitted and exhibited in accordance with the regulations. I agree that should this certification prove false, I can be disqualified from further participation in all activities of the STAR and will forfeit all prizes, premiums, privileges, and rights of an exhibitor. We, the exhibitor and parent/guardian have not administered to any exhibit/entry entered by exhibitor, and to the best of our knowledge, the entry has not received, any substance not approved by the U.S. Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for consumption by animals. We further certify that no exhibit/entry under our control will be within any withdrawal time relative to the administration of any drug, chemical or feed additive approved by the FDA and /or the USDA at any time after arrival of the entry/exhibit on the grounds. Animals under the care of a licensed veterinarian and/or taking any type of performance enhancing medication to include, but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, are ineligible for competition. Animals receiving performance-enhancing drugs (i.e. including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and painkillers) in this manner are ineligible for competition. The exhibitor agrees to submit any animal, breeding and/or market, entered by him/her to inspection by any veterinarian appointed by the Executive Committee and agrees to have such animal submitted to such tests as may be requested at any time. STAR also reserves the right to have ultrasound, D.N.A., blood and /or urine laboratory analysis made on any animal entered for competition. The exhibitor, including his or her parent or guardian or AST or 4-H Club Manager for Junior exhibitors, must be present during the collection for testing and must witness, seal and sign the sample; thus verifying the sample to be properly collected and prepared for analysis. The conclusions reached by the veterinarian and analyses shall be final and conclusive without recourse against STAR or any officer, director, or employee thereof or any veterinarian appointed by the Executive Committee. The exhibitor waives any right of action which he might have for any action taken under this rule, and releases STAR and the veterinarian from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian. The exhibitor will forfeit all titles, awards, prizes, premiums, and scholarships if the animal is disqualified. USE OF LIKENESS CONSENT - I, the undersigned parent or guardian of the exhibitor identified in the application, do hereby acknowledge that I am aware of the intent of the STAR to utilize photographs, video tapes, and other likenesses of exhibitors in the events of the STAR in the media, including but not limited to magazines, newspapers, television, promotional literature, the world wide web ("internet") and in STAR programs in consideration of exhibitor being allowed the privilege of participating in the events of the STAR, I do hereby grant to the STAR the right to use any such photograph, video tapes and other likenesses of my child or ward in the media FOR EXHIBITOR & PARENT/GUARDIAN - by my signature below, hereby certify that I have read, understand, and will abide by all of the regulations of the STAR.
